	> 50,000 ha	\$10,820
Group C – Chain of Custody Certificates	Organisation size	Annual Subscription (+GST)
Category is based on the value of the organisation's turnover of certified product ⁽²⁾ as advised by the Certification Body. In the first year, when turnover of certified product is unknown, companies may pay the small category fee.	Small < \$1M turnover	\$1,140
	Medium \$1M – \$10M turnover	\$2,580
	Large \$10M – \$50M turnover	\$6,700
	Very Large > \$50M turnover	\$10,820

(1) AFS reserves the right to levy additional fees, by negotiation, where a DFA greatly exceeds the maximum DFA category.

(2) For primary processors accepting round wood direct from the forests, the organisations turnover for levy purposes shall not be less than the value of round wood the organisation receives from forests covered by valid AFS Forest Management Certificates.

The Certification Body (CB) will collect the annual AFS/PEFC notification fee from all certified clients on behalf of AFS Ltd. For new clients, the fee must be paid before the certification will be registered.
