

2020 Small Grants Program – Judging scoresheet

Scores 1 – 5

1 = Unsatisfactory answer and project should not be funded unless further explanation is provided.

2 = Fair, this component of the project has associated risks.

3 = Reasonable, this component of the project meets the requirements.

4 = This project component is aligned with the aims of the grant and intent of broader aims of Responsible Wood.

5 = This project component is highly aligned with the aims of the grant and broader aims of Responsible Wood.

Key Selection Criteria	Score 1 – 5
Project idea – How well is the project aligned to the aims of the Responsible Wood Small Grant Program?	
What value does the idea bring to the project’s local community?	
Why do you want to undertake this project?	
What support does your project have from either a Responsible Wood; certified forest grower or producer with Chain of Custody certification?	
How will you promote the project to your community and beyond?	
Are you working with any other community groups to deliver this project? If so, please describe.	
Is this grant part of a co-contribution from another funding source, if so, please describe.
